Dear Steam Enthusiast,

OAKLEIGH FAIRS' 2019 EVENTS

We are pleased to bring you our 2019 programme and feel that it offers a wonderful range of geography, splendour and pullability for you to be involved in.

We have a number of events where we can have a decent representation of steam both full size and scale (highlighted in bold on the next page) and a number where we would like only 1 or 2 scale engines (in italics).

Most of the events are established events but we do always add a couple of new ones, drop others and move some around. Apologies if this affects you!

At each show we will provide water and an area for camping. You provide your coal.

Expenses will be as follows for Steaming Up:

£125 per day per full size engine

£50 per day for scale engines

We hope you find this acceptable and will of course pay participants in cash at the event. If we exceed our budget you may be able to attend without receiving a fee. Engines will be able to arrive the day before the show and it may be possible to stay until the day after - check with the office! To take part please complete the attached form and send it back to us at:

Oakleigh Fairs
Thrift Farm House, Horkesley Hill, Nayland
Colchester, Essex CO6 4JP

With kind regards,
Charlie Owen – Show Organiser

PS – PLEASE SPREAD THE WORD – MORE ENGINES WELCOME

STEAM ENGINE PARTICIPANTS ACCEPTANCE FORM

Please return this form to confirm that you wish to bring your engine(s) to any of our events. Full details will be sent to you prior to the event. Fees will be paid at the event.
