

Entertainment and Demonstration Opportunities At Our Outdoor Shows In 2019

Dear Sir or Madam,

Welcome to the Oakleigh Fairs 2019 Programme. As you can see, we will be holding Country Shows (as well as some Food Festivals) across a large number of interesting venues across the country and throughout the season. We very much look forward to receiving your expressions of interest – whether for one event, several or indeed the whole lot! For the Food events please think of relevance to food!

We are interested in hearing from you whether you are a:

- **Main Arena Act**
- **Side Show**
- **Historical Re-Enactment Group** – both ‘village’ based as well as arena displays
- **Traditional Craft Demonstrator** (please specify whether you are Demonstration Only or whether you wish to sell your products as well, as our payment terms are different for each)
- You are a **Musical Group** or other entertainment (with a historical or other emphasis)

If your group is available and interested in attending any of our events please mail us the enclosed response slip and we will contact you.

All of our Country events feature countryside activities such as gun dogs, heavy horse, terrier racing, birds of prey, sheep shearing and ferret racing and we find that historical re-enactments and craft demonstrators fit in very well and really add to the good feel of the show as well as entertaining and educating members of the public. Food & Craft shows naturally have a different content.

Needless to say that while we expect to pay realistic appearance fees, especially in today’s economic environment, if you want to sell what you make then appearance fees are unlikely. However we stress that you must engage with the public and demonstrate throughout the day even if you also undertake an arena act. We would not be happy with groups who operate in roped-off areas not allowing public access – those groups with weapons can have that section roped off with public access to the rest of the display/ demonstration.

At all our events we can offer suitable camping arrangements and lavatories on site.
