Dear Classic or Veteran Car Enthusiast,

OAKLEIGH FAIRS' 2020 EVENTS

We are pleased to bring out our 2020 programme and feel that it offers a wonderful range of geography, splendour and style.

You will see that this year we are not running a standalone transport rally but we always welcome a vintage / classic cars or club gatherings at all our other shows. We provide a list on the following page.

Please note that we are keen to have a good showing at Cambridge as usual as well as at Beale Park, Tatton Park, Rockingham and Knebworth with a representation at the other shows.

We are equally happy for groups as well as individual entrants.

At each show we will provide water and an area for camping.

Cars will be able to arrive the day before the show and may stay until the day after - please check with the office. Due to Health & Safety we insist that cars stay for the whole day – we cannot have people driving through the public. If you would like to take part please complete the attached form and send it back to us.

With kind regards,
