

## Associations & Special Interest Group Opportunities at Outdoor Shows in 2020

Dear Sir or Madam,

Oakleigh Fairs has been a major promoter of Country Shows that are suitable for attendance by Associations & Special Interest Groups for over thirty years.

Please look down our list to find events local to you. If you find one of interest and your group is available to attend any of our events please contact us to discuss it further. Alternatively you can mail us the enclosed response slip and we will contact you.

All of our events feature countryside activities such as working dogs, birds of prey, sheep shearing and ferret racing as well as a full range of childrens' entertainment and activities as well as a broad range of arts, crafts and gift marquees as well as a food hall.

We find that Associations & Special Interest Groups can find these shows an invaluable way to promote their area of interest to the general public.

If you would like to attend, we will not charge you for outside space at these events, *as long as you are not actually trading*, but simply using the show(s) to promote your area of interest. If you do wish to sell items, we would charge you our usual stallholders' fee; the details of which you will find on our website at [www.oakleighfairs.co.uk/traders-space/](http://www.oakleighfairs.co.uk/traders-space/)

At all our events we can offer suitable camping arrangements and lavatories on site.

If you have any questions please do not hesitate to contact us:

We look forward to hearing from you,

With best wishes,
